COVID-19 : Social Science Response Call for Papers for Research Journal Special Issue :

Dear Colleague,

Globally, the humanity is facing the unprecedented pandemic COVID-19. This is the time when we should stand by, salute, appreciate, well wish and pay regards to all professionals and functionaries on the ground fighting against the current crisis caused by COVID-19. This pandemic will have deep and long-lasting impact on Social Sciences and achieving Sustainable Development Goals 2030 [SDGs2030].

Dr. B.R. Ambedkar University of Social Sciences [BRAUSS] is planning to publish a special issue of its research journal on “COVID-19 : Social Science Response” on the auspicious occasion of **129th Birth Anniversary of Dr. Bhimrao Ramji Ambedkar**. The research publication will be strictly academic, empirical and in case based on data, facts and figures must be from reliable and authentic sources citing complete references. Respective authors will be responsible for contents, context and corrections of their papers for which a dummy draft will be provided to the sole or first author for final submission within a given time limit.

Research Papers are invited latest by 15 May 2020 to the Editor at email id dkvbrauss@gmail.com on any of the following suggestive areas in context of more effective planning, prevention, and preparedness to fight pandemics like COVID-19 and future similar pandemics:

1. Pandemics in Human History : Causes, Magnitude and Coping Strategies.
2. Biological Origin of COVID-19 : Human Transmission and Social Prevention.
3. Pandemic Ecology : Virology, Changing Climate and Environmental Consequences.
4. Social Sciences Response to COVID-19 : Individual, State and Society.
5. Sociological Impact of COVID-19 : Identities, Institutions, Status and Roles.
6. Geographical Impact of COVID-19 : Ground Zero, Epicenters and Spread Zones.
7. Social Psychological Impact of COVID-19: Social Distancing, Quarantine and Isolation.
8. Economic Impact of COVID-19 : Changing Economy Patterns and Prospects.
9. Psychological Impact of COVID-19 : Anxiety, Mental Health and Counselling.
10. Defence & Strategic Strategies: Bio-weapons, International Borders, and War Dynamics.
11. Political Impact of COVID-19 : International Relations , Rethinking Globalization and Governance.
12. Public Administration during Pandemics : Janta Curfew, Lock Down and Policing.
13. Social Work Practices for COVID-19: Pandemics Preparedness, Social Clinics, Role of NGOs.
14. Management of COVID-19 : Country-specific Approaches, Strategies and Management Practices.
15. Post-pandemic Education : Pedagogy, Learning System and Teaching Modules.
16. Post-Pandemic Commerce: Online Markets, Supply Chains and Retail e-Businesses.
17. Post-pandemic Laws: Constitutions, Legislations and Codes.
18. COVID -19 Impact on Achieving SDGs 2030 : Review, Target Reprioritization, and Resetting Goals.
19. Human Survival Goals [HSGs 2040] : New Ecological Order, Egalitarianism and Marginalized.
20. Post-pandemic Social Science: Convergence of Social Sciences and Emergence of a New Science.

It is suggested that full length papers may be submitted in minimum 08 to maximum 24 pages typed on A-4 paper size, in Times New Roman font size 12, single space in normal margins, APA writing and citation style. It is requested that to maintain quality and standard all papers must contain a minimum of 20 references and/or citations, and footnotes as may be given at the end of each page.

May I request you to please accept our invitation and convey your consent with the tentative theme of your paper latest by 20th April 2020, so that we may finalize the Special Issue outline. Awaiting your kind and positive response please.
